ARTICLE A.1 GUARANTEED MAXIMUM PRICE

§ A.1.1 Guaranteed Maximum Price

Pursuant to Section 3.2.6 of the Agreement, the Owner and Construction Manager hereby amend the Agreement to establish a Guaranteed Maximum Price based upon task orders for individual wells. As agreed by the Owner and Construction Manager, the Guaranteed Maximum Price is an amount that the Contract Sum shall not exceed based upon the aggregate of expected task orders. The Contract Sum consists of the Construction Manager's Fee plus the Cost of the Work, as that term is defined in Article 6 of the Agreement.

§ A.1.1.1 The Contract Sum for the below enumerated task orders including Alternate 1 is guaranteed by the Construction Manager not to exceed Sixteen Million Nine Hundred Forty Nine thousand Two Hundred and Seventy-Five dollars and Zero Cents (\$

ADDITIONS AND DELETIONS:

The author of this document has added information needed for its completion. The author may also have revised the text of the original AIA standard form. An *Additions and Deletions Report* that notes added information as well as revisions to the standard form text is available from the author and should be reviewed. A vertical line in the left margin of this document indicates where the author has added necessary information and where the author has added to or deleted from the original AIA text.

This document has important legal consequences. Consultation with an attorney is encouraged with respect to its completion or modification.

AIA Document A201[™]–2017, General Conditions of the Contract for Construction, is adopted in this document by reference. Do not use with other general conditions unless this document is modified.

\$16,949,275.90), subject to additions and deductions by Change Order as provided in the Contract Documents.

§ A.1.1.2 Itemized Statement of the Guaranteed Maximum Price. Provided below is an itemized statement of the Guaranteed Maximum Price organized by trade categories, including allowances; the Construction Manager's contingency; alternates; the Construction Manager's Fee; and other items that comprise the Guaranteed Maximum Price as defined in Section 3.2.1 of the Agreement.

(Provide itemized statement below or reference an attachment.)

All amounts are averages based upon the below enumerated specific wells.

§ A.1.1.3 The Construction Manager's Fee shall be 12% of the Cost of the Work as defined in Article 7 of the Agreement or §7.2.2 of the AIA A201-2017 as modified by the Owner provided however, that notwithstanding anything else to the contrary here or elsewhere in the Contract Documents, the Construction Manager shall be limited to 12% fee on the Cost of the Work including subcontractor markup in all cases regardless of type or nature of the charge, specifically including, but not limited to, Change Orders and/or Contingency use, and specifically Contractor shall not be entitled to the markup on the Cost of the Work found in §§7.2.4.1 or 7.2.4.2.

§ A.1.1.4 The method of adjustment of the Construction Manager's Fee for changes in the Work is set forth in Section 6.1.3 of the Agreement shall only be by agreement of the Contractor and Owner subject to §A.1.1.3 above.

§ A.1.1.5 Alternates

§ A.1.1.5.1 Alternates, if any, included in the Guaranteed Maximum Price. Alternates shall be separately granted and may be awarded after all documentation in a form acceptable to Owner is received. Alternates shall not be deemed accepted until specifically accepted in writing by the Owner.:

Item	Price
1) 98 Fish and Wildlife Wells	\$5,974,924.60 inclusive of fee of 12% of the Cost of the Work.

§ A.1.1.5.2 Subject to the conditions noted below, the following alternates may be accepted by the Owner following execution of this Exhibit A. Upon acceptance, the Owner shall issue a Modification to the Agreement.
(Insert below each alternate and the conditions that must be met for the Owner to accept the alternate.)

Item	Price	Conditions for Acceptance
------	-------	---------------------------

§ A.1.1.6 Anticipated Task Orders based upon unit prices:

(Identify the item and state the unit price and quantity limitations, if any, to which the unit price will be applicable.)

Item	Units and Limitations	Price per Unit (\$)
SEE GMP – 1 Schedule of Values incorporated Herein as if reproduced in whole with the Maximum P&A Amount per Well based on all portions of the Itemized Statement of the Guaranteed Maximum Price found in A.1.1.2 except for the following items: Project Management Key Staff, Work Order - Data Entry Platform, Contingency (20 %), CM Fee (12 %), Insurance (Estimated), and Bond (1.5 %).		

ARTICLE A.2 DATE OF COMMENCEMENT AND SUBSTANTIAL COMPLETION

§ A.2.1 The date of commencement of the Work shall be:

(Check one of the following boxes.)

The date of execution of this Amendment.

Established as follows:

(Insert a date or a means to determine the date of commencement of the Work.)

If a date of commencement of the Work is not selected, then the date of commencement shall be the date of execution of this Amendment.

§ A.2.2 Unless otherwise provided, the Contract Time is the period of time, including authorized adjustments, allotted in the Contract Documents for Substantial Completion of the Work. The Contract Time shall be measured from the date of commencement of the Work.

§ A.2.3 Substantial Completion

§ A.2.3.1 Subject to adjustments of the Contract Time as provided in the Contract Documents, the Construction Manager shall achieve Substantial Completion of the entire Work:

(Check one of the following boxes and complete the necessary information.)

Not later than () calendar days from the date of commencement of the Work.

By the following date: September 30, 2023

§ A.2.3.2 Subject to adjustments of the Contract Time as provided in the Contract Documents, if portions of the Work are to be completed prior to Substantial Completion of the entire Work, the Construction Manager shall achieve Substantial Completion of such portions by the following dates:

Portion of Work

Individual well basis

Substantial Completion Date For Warranty Purposes Only.

Date on which the Office of Conservation well status code as to that well changes to Status 30 - Plugged and Abandoned.

§ A.2.3.3 If the Construction Manager fails to achieve Substantial Completion for the entire work as provided in this Section A.2.3.1 liquidated damages, if any, shall be assessed as set forth in Section 6.1.6 of the Agreement at a rate of one thousand five hundred dollars (\$1,500.00) per day.

ARTICLE A.3 INFORMATION UPON WHICH AMENDMENT IS BASED

§ A.3.1 The Guaranteed Maximum Price and Contract Time set forth in this Amendment are based on the Contract Documents and the following:

§ A.3.1.1 The following Supplementary and other Conditions of the Contract:

Document	Title	Date	Pages
AIA A201-2017 as modified by the Owner			

§ A.3.1.2 The following Specifications:
(Either list the Specifications here, or refer to an exhibit attached to this Amendment.)

Water Quality Plan provided by Royal Engineering promulgated on or about 11/10/2022
Assessing Methane Emissions from Orphaned Wells to meet Reporting Requirements of the 2021 Infrastructure Investment and Jobs Act – Federal Program Guidelines – dated 4/11/2022.
Contractor Protocols for Pre-Plug Methane Measurement
Protocol for Rapid Detection and Classification of Methane Emissions
Change Order No. 1 and all attachments to same.
The Request for Proposals and all addendums.

Section	Title	Date	Pages
---------	-------	------	-------

§ A.3.1.3 The following Drawings:
(Either list the Drawings here, or refer to an exhibit attached to this Amendment.)

Not Applicable

Number	Title	Date
--------	-------	------

§ A.3.1.4 The Sustainability Plan, if any:
(If the Owner identified a Sustainable Objective in the Owner's Criteria, identify the document or documents that comprise the Sustainability Plan by title, date and number of pages, and include other identifying information. The Sustainability Plan identifies and describes the Sustainable Objective; the targeted Sustainable Measures; implementation strategies selected to achieve the Sustainable Measures; the Owner's and Construction Manager's roles and responsibilities associated with achieving the Sustainable Measures; the specific details about design reviews, testing or metrics to verify achievement of each Sustainable Measure; and the Sustainability Documentation required for the Project, as those terms are defined in Exhibit C to the Agreement.)

Title	Date	Pages
Not Applicable.		

Other identifying information:

§ A.3.1.5 Allowances, if any, included in the Guaranteed Maximum Price:
(Identify each allowance.)

Item	Price
------	-------

§ A.3.1.6 Assumptions and clarifications, if any, upon which the Guaranteed Maximum Price is based:
(Identify each assumption and clarification.)

None.

§ A.3.1.7 The Guaranteed Maximum Price is based upon the following other documents and information:
(List any other documents or information here, or refer to an exhibit attached to this Amendment.)

The Owner shall have the right to add or remove individual wells from the scope of work at its sole discretion. Addition of wells shall be through the Change Order process. Removal of wells shall be issued via written notice and no payment shall be due for such reduced Scope of Work, nor shall fee be applied to removed Scope of Work provided however, payment shall be due for work conducted on the removed well up to the date notice was sent removing same.

ARTICLE A.4 CONSTRUCTION MANAGER'S CONSULTANTS, CONTRACTORS, DESIGN PROFESSIONALS, AND SUPPLIERS

§ A.4.1 The Construction Manager shall retain the consultants, contractors, design professionals, and suppliers, identified below:
(List name, discipline, address, and other information.)

This Amendment to the Agreement entered into as of the day and year first written above.
