Subject: Hydro Enviro Tank Rental/Vac Turk Bid

Craig, Per our discussion:

(5) 500 bbl frac tanks @ \$40/day = \$200/day. Estimating 30 days = \$6,000

(5) 500 bbl frac tank mobilization (delivery & pickup) @ \$1,400/tank = \$7,000

(5) 500 bbl frac tank washout @ \$500/tank = \$2,500

Vacuum truck (130 bbl/load) \$500/load @ 20 loads = \$10,000

Disposal of freshwater \$5/bbl @ 2,400 bbls = \$12,000

Total project = \$37,500.00

Thank you,

Bryan Francis
