Dear Dr. Howey:

Thank you for your letter of July 24, 1992, requesting the Office of Ocean and Coastal Resource Management's approval to incorporate the St. Tammany Parish Local Coastal Program into the Louisiana Coastal Resources Management Program (LCRMP) as a routine program implementation.

We concur that the St. Tammany Parish Local Coastal Program, as approved by the State and submitted with your request, is a routine program implementation and not an amendment to the LCRMP.

Federal consistency will apply to these changes upon the date of public notice by your Department of our approval as required by 15 CFR §923.84(b)(4). Please contact Clement Lewsey at (202) 606-4138 if you have any questions.

Sincerely,

*James P. Lawless*
