Castex Carbon Solutions, LLC – Public Hearing
Operating Agreement in Cameron Parish, Louisiana
Docket No. OMR 23-02

In accordance with the laws of the State of Louisiana, and with particular reference to the provisions of Title 30 of the Louisiana Revised Statutes of 1950, a public hearing will be held at the Johnson Bayou Community Center, 5556 Gulf Beach Hwy, Johnson Bayou, Louisiana 70631 at 2:00 PM on **Wednesday, August 2, 2023** to solicit comments on the proposed Operating Agreement between the State of Louisiana and **Castex Carbon Solutions, LLC**. The Operating Agreement is subject to change and consideration for final approval by the State Mineral and Energy Board at one of its upcoming meetings.

The Operating Agreement is for the sequestration of carbon dioxide beneath State property in portions of West Cameron Area, Revised, Blocks 8, 9, 10, 11, 20, 21, 22, and 23 in Cameron Parish, Louisiana. All comments on the proposed Operating Agreement will be heard.

The Operating Agreement is available to the public by clicking on the link titled “OMR’s Special Notices and Announcements” found on The Office of Mineral Resources website at <http://www.dnr.louisiana.gov/index.cfm/page/168>. In addition, written comments may be emailed to OMR@la.gov or mailed to **Office of Mineral Resources, Post Office Box 2827, Baton Rouge, Louisiana 70821-2827** to be received on or before August 2, 2023. Please reference Docket No. OMR 23-02 in your comments. No additional public comments will be accepted after this date.

Parties interested in presenting an offer to enter into an operating agreement for the sequestration of carbon dioxide beneath the same State property listed above must submit an offer to OMR@la.gov or have said offer delivered to **Office of Mineral Resources, Post Office Box 2827, Baton Rouge, Louisiana 70821-2827** on or before August 2, 2023 in order for that offer to be considered.

All parties having interest therein shall take notice thereof.

JAMIE S. MANUEL
ASSISTANT SECRETARY
OFFICE OF MINERAL RESOURCES
